

Great Ruckus Wireless Offers!

Can Your Wireless Network Keep Up? \$500 Says It Can.

Explosive growth in mobile Wi-Fi devices, including laptops, cell phones and tablet computers, means keeping up with the challenge of providing reliable and secure coverage. Schedule a Clear North wireless site survey and stay competitive while staying secure. From now until December 31, 2011, get this invaluable service for only \$1500 with a labor credit of **up to \$500** toward a next generation wireless network solution upon survey completion.*

Our Senior Network Engineer will employ a wireless spectrum analyzer to evaluate the following aspects of your environment:

- Access point placement and coverage
- Unauthorized rogue access points
- Wireless signal ingress from adjoining businesses
- Sources of Radio Frequency Interference (RF)
- Much more! *Ask your Clear North sales representative for full details*

You also get:

- All major security and manageability concerns addressed *Ask your Clear North sales representative for full details*
- Written report of our findings personally presented by our Senior Network Engineer, including product selection + placement recommendations

Schedule a survey today with your Clear North sales representative. Offer expires 12/31/11.

BONUS OFFER:
